Tutorials

For tips and advice on the various stitches and techniques used in this pattern, please refer to the video tutorials on www.knitable.com

Toy Safety

Please ensure that attached pieces are sewn on very securely and seams are tightly finished off. Use only new, hygienic, washable stuffing that conforms to current safety standards.

Making Up

When making up the designs you can chose to close the back seam so that the stuffing is fully enclosed or you can leave a gap in the seam so that the decoration could be filled with small chocolates or treats!

Cut a circle out of cardboard approximately 4cm in diameter and place this at the base. Working down from the gathered top of the tree, join the seam, leaving an opening of approximately 3cm. Stuff the tree, shaping as you go, then close the seam.

The *bow* is made from a *twisted cord*. Cut a strand of yarn **B**, approximately 1m in length. Knot one end round a door knob or hook and knot a loop in the other end to fit around the index finger of your right hand. Now keeping the yarn taught, twist your finger round and round in a clockwise direction. Keep twisting until when relaxed, the strand of yarn begins to curl back on itself. Fold cord at centre, bringing ends together. Allow yarn to twist tightly and knot ends. Make into a bow and securely attach the bow onto the top of the tree.

To make the *pom pom* hold the end of the yarn on your palm using your thumb. With your other hand, start wrapping the yarn around two of your fingers. Wrap the yarn around your fingers for a minimum of 35 times. Cut another piece of yarn about 20cm long. Thread this yarn between your two fingers and tie a tight knot around the bundle. Slip the tied bundle off your hand and cut all the loops around the bundle. Cut around the pom-pom to make all the yarn pieces uniform in length. Use the two ends of the 20cm long piece of yarn to fasten the pom-pom onto the top of the Christmas tree.

Scarf

The scarf illustrated is made from an I-cord. This simple knitting technique creates a very narrow tube of knitting. Using yarn **B**, cast on 3 sts, with double pointed needles.

Row 1 Knit, do not turn the work

Slide the stitches to the other end of the needle

Row 2 Knit a second row by bringing the yarn behind the work and starting with the first stitch. Tug the work from the bottom after each first stitch to help it to take shape and to even out the tension. Continue knitting in this way until the scarf measures 15 cm. B&T

For a fancier scarf, you may wish to add a *fringe*. Cut lengths of yarn **C** approximately 6 cm long. Pull open a stitch on the last row of the scarf. Fold your piece of yarn in half and pull through the open stitch. Leave a loop on the other side and pull the loose ends through the loop to create a slip knot to attach your fringe to the edge of the scarf. Repeat across the entire bottom and top of the scarf. Trim the lengths of yarn.
